Cookies

The Waltham Forest College website puts small files (known as 'cookies') onto your computer to collect information about how you browse the site.

How we use cookies

We use cookies for a variety of reasons detailed below. It is recommended that you leave on all cookies if you are not sure whether you need them or not in case they are used to provide a service that you use.

Disabling cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser 'Help' section for how to do this). Be aware that disabling cookies will affect how this website works. Disabling cookies will stop certain features of this site working. We therefore recommended that you do not disable cookies.

The cookies we set

If you create an account with us then we will use cookies for the management of the signup process and general administration. These cookies will usually be deleted when you log out, but in some cases they may remain afterwards to remember your site preferences when logged out.

We use cookies when you are logged in so that we can remember this fact. This prevents you from having to log in every single time you visit a new page. These cookies are typically removed or cleared when you log out to ensure that you can only access restricted features and areas when logged in.

This site offers newsletter or email subscription services and cookies may be used to remember if you are already registered and whether to show

certain notifications which might only be valid to subscribed/unsubscribed users.

When you submit data through a form such as those found on "Register your interest" sections or comment forms, cookies may be set to remember your user details for future correspondence.

Third party cookies

In some special cases we also use cookies provided by trusted third parties. The following section details which third party cookies you might encounter through this site.

This site uses Google Analytics which is one of the most widespread and trusted analytics solution on the web for helping us to understand how you use the site and ways that we can improve your experience. These cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content.

For more information on Google Analytics cookies, see the official Google Analytics page.

We also use social media buttons and/or plugins on this site that allow you to connect with your social network in various ways. For these to work Facebook, Twitter, Google+, and LinkedIn, will set cookies through our site which may be used to enhance your profile on their site or contribute to the data they hold for various purposes outlined in their respective privacy policies.

More information

If you are still looking for more information about cookies then you can contact us by email at marketing@waltham.ac.uk
