Welcome

Welcome to Waltham Forest College!

I am so pleased you are seeking to progress your education, develop your skills, and start your career journey with us. Our College is an aspirational place to learn with highly skilled, supportive staff and industry standard facilities.

As one of London's top performing Further Education Colleges, we have high aspirations for our students and help them to progress to top universities as well as highly skilled and well-paid employment. We work closely with employers, to co-design industry standard training and specialist facilities for high quality technical education and training.

Waltham Forest College was one of only 12 leading institutions selected to be a WorldSkills UK's Centre of Excellence. This provides exciting opportunities for our students to further develop world-class skills, embedding excellence and competing in a global market.

Our Values

INTEGRITY

- Acting with honesty at all times, taking responsibility for our own actions.
- Always doing the right thing, especially when no one is looking.
- Demonstrating professionalism, working to fulfil our moral purpose - especially when times are challenging.

INCLUSION

- Ensuring that everyone feels welcomed and valued and is allowed to be their true, authentic self.
- Not just recognising, but celebrating the diversity of our community, ensuring that everyone has a voice.
- Making sure that everyone has equal access to what the College does.

EXCELLENCE

- Having high aspirations and expectations for ourselves and those around us.
- Celebrating and valuing expertise and mastery at all times.
- Recognising that personal responsibility affects our ability to fulfil our potential, embracing opportunities to grow and develop our knowledge and understanding.

We are proud to be a diverse and inclusive college, supporting and encouraging our students to 'Think BIG' and achieve their aspirations. You can join the growing number of students wishing to transform their lives by coming to our next Open Event.

If you are a parent or guardian wanting to help your son or daughter to make an informed choice about their next steps, we can provide you with all the support you need.

I look forward to meeting you and welcoming you to our college.

Janet Gardner
Principal & CEO

Sustainable and Green College

WE HAVE ALREADY ACHIEVED

OVERALL CARBON
FOOTPRINT

36% 
DECREASE

ENERGY USE:
ELECTRICITY

23% 
DECREASE

ENERGY USE: GAS

58% 
DECREASE

RECYCLING

35% 
INCREASE

We aim to:

- Improve awareness and understanding of environmental issues
- Continue to improve our energy strategies, green initiatives, environment and estates
- Work with the local community and organisations to improve the local environment
- Develop a carbon neutral estate
- Enhance and integrate sustainable agendas in courses and curriculum

Our Impact:

- Partnered with the Mayor's of London's new Academies Programme focusing on digital and green skills
- Launched a Sustainability Working Group of staff and students
- Introduced eco-friendly cutlery & food ware to reduce plastic usage
- Introduced LED motion sensor lighting in parts of our estates
- Provided free eco-friendly metal reusable water bottle for staff and students

Why Choose us?

INDUSTRY SPECIALIST STAFF

Our teaching staff have relevant industry experience and work closely with top employers, demonstrating their expertise in everyday teaching and learning.

ASPIRATIONAL COLLEGE

Everything we do is rooted in our desire to always look to the future. 96% of students have progressed onto positive destinations that include higher levels of study, top universities and highly skilled employment.

FREE BREAKFAST

All students who arrive early to the College are entitled to a free breakfast so you can boost your brainpower ahead of lessons.

A young woman with dark hair pulled back, wearing black-rimmed glasses and a light pink t-shirt with a purple floral logo that says "HAPPY HOODS HAPPY LIFE". She is smiling and has her hands on her hips. The background is a bright yellow gradient with a faint image of a school hallway.

Progression Pathways

UNIVERSITY

University will allow you to expand on the knowledge you have gained from your course and focus towards a specialism. Our Careers Team will assist you with your UCAS application and ensure you have all the support you need to choose the right university and degree for you.

EMPLOYMENT

By the end of your time at college you will have had opportunities to engage with employers. This could be through work experience or industry placements, talks, workshops and networking sessions. We will also help you to develop your CV and provide interview practice.

IRIS

Studied:
Health & Social Care Level 3

University

APPRENTICESHIP

An apprenticeship allows you to work 4 days a week with an employer with 1 day a week at a training provider. Some students start their post-school education at college and then progress after one year to an apprenticeship.

PROGRESS IN COLLEGE

We will support your progression through college. This could mean progressing from a Level 2 to a Level 3 course, or ensuring you get the important GCSE grade 4 pass in maths and English.

If you are studying a Level 2 course in business, construction, creative, digital, childcare or health & social care you may be able to progress onto a T Level.

University Destinations

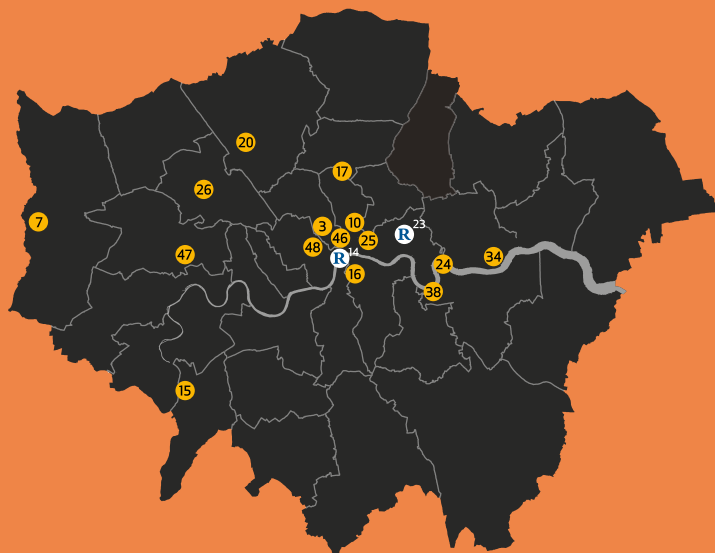

A Local College with National Reach

These are the university destinations our learners progressed to last year. Which university will YOU apply for?

R = Russell Group University

GCSEs

Waltham Forest College now delivers GCSE courses for 16-18 learners, for those who have just missed out on Grade 4s in their GCSE exams and those who have just recently entered the country.

The programme consists of a range of subjects that can be taken in combination with each other to have a complement of GCSEs that lead towards a complete package enabling progression to Level 3 study.

Eligibility

To be eligible for this study programme, students must have a minimum of Grade 3 in English (Language and/or Literature) and Mathematics.

Students must be able to demonstrate a positive attitude to their prior studies measured through a student reference and their prior attendance.

*Please note that courses are subject to change and all updates will be available via our website.

GCSE Subjects

All students on this pathway must study:

English Language | Mathematics

Students will then be asked to rank their choices from the following subjects*:

English Literature | Combined Science (Biology, Chemistry and Physics)

Art | Business | Citizenship | Computer Science | Physical Education | Sociology

Visit our website or scan the QR code to discover more about GCSEs, register your interest and kick start your application.

WELCOME TO THE NEXT LEVEL

T Levels provide an alternative pathway to A-Levels, BTECs and apprenticeships.

They follow GCSEs and are equivalent to 3 A-Levels.

The 2-year T Level qualification brings classroom and work placement together on a course designed with employers and businesses to give you the skills and knowledge employers are looking for.

Courses

- Accounting: Assistant Accountant
- Building Services Engineering - Electrical Installation
- Building Services Engineering - Plumbing
- Digital Production / Design & Development
- Digital Support Services
- Education & Childcare
- Health
- Management & Administration - Business Support
- Management & Administration - Team Leadership & Management
- Media - Broadcast & Production

Apply now

Visit our website or scan the QR code to discover more about T Levels and to make an application.

Apprenticeships

An Apprenticeship programme is a work-based learning programme that is delivered via a blend of on and off-the-job training, whereby people can apply their skills in real work contexts.

Why Study an Apprenticeship?

- Earn while you learn with the prospect of a permanent and full-time position on completion of the programme
- You will gain industry knowledge and skills taught by those with years of experience
- Progression to a Degree Apprenticeship will allow you to develop a greater skill set and remain debt-free

Our Offer

We specialise in the below sectors to ensure we deliver the best service:

Business Administration | Electrotechnical

ELIGIBILITY

To start an Apprenticeship you must be 16+ years old - there is no upper age limit, have been a resident in the UK/EU for the last 3 years, pass a basic initial maths and English assessment.

Visit our website or scan the QR code to discover more about Apprenticeships, and kick start your application.

How to Apply

1. FIND YOUR PERFECT COURSE

To create your future on the perfect course you can explore this guide or for the most up-to-date listings, visit our website www.waltham.ac.uk

2. SUBMIT YOUR APPLICATION

Apply online via our website - This is the easiest way to make your application and only takes around 5 minutes.

3. ATTEND YOUR INTERVIEW

You will be invited to attend an interview with the course tutor. This will help you and you determine if you have applied for the right course and ensure you are on the level that will best suit you.

SAFIA

Studied:

Sport Level 3

Progressed to:

University College of Osteopathy

To study

Osteopathy

4. RECEIVE YOUR COURSE OFFER

At the end of your interview the course tutor will confirm whether you have been given a conditional or unconditional offer. We will keep in touch to update you on what's happening at Waltham Forest College and keep you informed on when you can enrol.

5. ENROLMENT

Enrolment is when you fully sign up to your course. We will send you an invitation with a date and time slot for you to attend. You can also talk to our Careers and Learning Support Team for any advice and guidance if you are thinking of taking a different route to your original application,

Entry Requirements

ENTRY LEVEL

Entry Level courses have no formal qualification requirement.

LEVEL 1

4 GCSEs at grades 1-2 including English and maths or successful completion of Entry Level course.

LEVEL 2

4 GCSEs at grade 3+ including English and maths or successful completion of Level 1 course.

DENZEL

Previous school:

College of North East London

Studied:

Digital Media & Animation, Year 1

Progressed to:

Next Level of Study at College

To study

Digital Media & Animation, Year 2

LEVEL 3

4 GCSEs at grade 4+ including English and maths or successful completion of Level 2 course.

ENGLISH AND MATHS

To maximise your employment and earning potential when you leave education, you are required to have at least a Grade 4 in your English and maths GCSEs. If you don't achieve this at school you will have the opportunity to study it with us.
