

Digital Skills for Work Level 1 - January start

The Digital Skills for work Entry 3 Award is for learners who want to develop their digital skills to prepare for employment in different roles within the Digital Industries.

Learners will develop knowledge and understanding of the core areas of digital and an introduction to the skills required in the Digital Sector.

The course is delivered one evening a week from 6pm to 9pm for 16 weeks.

- [Sector Overview](#)

In today's rapidly evolving digital landscape, IT plays a pivotal role in driving innovation, efficiency, and success across various industries.

In 2023 the UK tech sector was valued to have a combined market value of \$1 trillion, the third country to reach the milestone. This makes the UK, and London in particular, a great place to start your digital career. At Waltham Forest College, we offer a comprehensive range of digital information technology courses that provide students with the knowledge and skills needed to excel in this dynamic field.

- [Entry Requirements](#)

The entry requirements for this course are:

- English initial assessment of at least Entry 3
- Preferably have completed an Entry 3 qualification such as EDSQ or Digital Skills for Work

You will be required to attend an informal interview which may include completing an assessment based on your prior qualifications.

- [What will I study?](#)

This course consists of the following modules:

- Digital Skills for work
- Searching for a job
- Applying for a job

- [How will I be assessed?](#)
