

Digital and IT Skills Level 2

The Award in Digital and IT Skills Level 2 is for learners who want to develop and extend their digital skills to prepare for employment in different roles within the Digital and Creative Industries.

Learners will develop knowledge and understanding of the core areas of digital and an introduction to the skills required in the Digital Sector.

The course is delivered one evening a week from 6pm to 9pm for 16 weeks.

- [Sector Overview](#)

In today's rapidly evolving digital landscape, IT plays a pivotal role in driving innovation, efficiency, and success across various industries.

In 2023 the UK tech sector was valued to have a combined market value of \$1 trillion, the third country to reach the milestone. This makes the UK, and London in particular, a great place to start your digital career. At Waltham Forest College, we offer a comprehensive range of digital information technology courses that provide students with the knowledge and skills needed to excel in this dynamic field.

- [Entry Requirements](#)

The entry requirements for this course are:

- English initial assessment of at least Level 1
- Essential Digital Skills Level 1 qualification or Digital Skills for work Level 1 or equivalent

You will be required to attend an informal interview which may include completing an assessment based on your prior qualifications.

- [What will I study?](#)

This course consists of the following modules:

- Digital Skills Career Progression
- Spreadsheet software
- Word processing Software
- Presentation Software
- Using Digital Technologies

- [How will I be assessed?](#)

You will be assessed via:

- Task based assessment
- Portfolio of evidence

- [Enrichment](#)

Our Student Common Room is a great place to unwind and relax during your breaks. It features pool tables, table tennis, a gaming corner and lots of comfy sofas so you can refresh before your next lesson.

Themed events are held in the Common Room so you can get the best experience of being a Waltham Forest
