

Construction Skills General Construction Level 1 - Adults - Evening

The Construction Skills Entry Level 3 qualification will allow you to prepare for a career in the Construction Industry. Students will gain an understanding of the industry in general as well as an insight into the various career options.

We have strong links within the industry and work with companies such as Cody Docks, Taylor Wimpy, K&D Joinery, the Standard Hotel & Society of Public Health Engineers.

The course is scheduled 3 days per week and 75% of the course will be practical.

- [Sector Overview](#)

The Construction Industry is generally defined as a key sector of the economy. The industry plays an important role in the economic growth of the country and London has the largest share of the nation's construction work. Upon completing your course, you will have lots of employment opportunities such as working on a new housing development, skyscraper, shopping centre or urban regeneration project. Our courses will prepare you for these challenges.

- [Entry Requirements](#)

The entry requirements for this course are:

- 4 GCSEs at Grade 3 (E) or above including maths and English
