

CSCS Card - Labourer's Course - June start

CSCS is the leading skills certification scheme within the UK construction industry.

CSCS cards provide proof that individuals working on construction sites have the appropriate training and qualifications for the job they do on site.

To obtain this qualification you will need to hold or undertake a relevant Level 1 Health and Safety qualification for which training will be given as part of this course.

Course cost: £295

You will study over 12 hours (2 days) + CSCS exam assessments (1 day).

- [Sector Overview](#)

CSCS is the leading skills certification scheme within the UK construction industry.

CSCS cards provide proof that individuals working on construction sites have the appropriate training and qualifications for the job they do on site.

By ensuring the workforce is appropriately qualified the card plays its part in improving standards and safety on UK construction sites.

Holding a card is not a legislative requirement. It is entirely up to the principal contractor or client whether workers are required to hold a valid card before they are allowed on site. However, most principal contractors and major house builders require workers on their sites to hold a card.

- [Entry Requirements](#)
